Thanks for your response.

Just to clarify – is DEP saying it doesn't have any records, as opposed to saying whatever records the agency has are exempt from disclosure?

Subject: FOIA on Justice Companies

Dear DEP FOIA,

Earlier this month, Secretary Caperton appeared at a press conference with Gov. Jim Justice and commented on the reclamation debt concerning the governor's family's mining operations.

Please provide us with any and all documents in your agency's custody concerning any resolution made in the last six months regarding reclamation debt owned by the governor's family's companies, including but not limited to TAMS Management and Kentucky Fuels.

This request is meant to include, but not be limited to, any copies of agreements resolving those debts, any records indicating the amount of that debt, any documents concerning the amounts paid to resolve the debt, and any correspondence among DEP officials, the companies involved, and the governor's office or the Tax Department.

Thanks,

Ken.
